... And here's a couple of organisations doing great things year-round:

RE-ENGAGE

WHAT NEXT?

There are local chapters across the UK, bringing together those working in or passionate about culture, to address issues of relevance to them. WN? Chapters are a great way to meet people that may be keen to get involved with your Fun Palace, to spread the word, and importantly, to place your Fun Palace in the context of political discussions about arts and culture in your area. You can find out more [here](#).
