JANUARY

THE JANUARY CHALLENGE

MARCH

BRITISH SCIENCE WEEK

The British Science Association runs [British Science Week](#) every March, and welcomes involvement from anyone interested in science and local events. JUNE

THE BIG LUNCH

[The Big Lunch](#) calls on communities to take part in the UK's annual get-together for neighbours by hosting their own Big Lunch. Organising a Big Lunch with your community is a great way to start some conversations about your Fun Palace –who knows what you can come up with over lunch? The next one takes place on 5th June 2024.

GREAT BIG GREEN WEEK

A [Great Big Green Week](#) event can also be a Fun Palace (and vice versa) if it has elements of sustainability and community skill sharing. Great Big Green Week 2025 takes place on the 7th - 15th June.

SEPTEMBER

HERITAGE OPEN DAYS

Heritage Open Days is England's largest festival of history and culture. Every year places across the country open their doors to celebrate their heritage, community and history. See hidden places and try out new experiences. Heritage Open Days 2025 will be 12th - 21st September. [Check out the English Heritage Open Days website](#) to find out how you can get involved. In Scotland they have [Doors Open Days](#), in Wales they have [Open Doors](#) and Northern Ireland has [European Open Days](#) - all take place in September.

SILVER SUNDAY

Silver Sunday provides an opportunity for local authorities, charities, community groups and private, voluntary and public organisations to promote what they already do to relieve social isolation and loneliness among older people. Silver Sunday 2025 is on 5th October. If you are an older person or making a Fun Palace with older people, sign your Fun Palace up to Silver Sunday too. [Find out more about Silver Sunday here.](#)

BLACK HISTORY MONTH

Black History Month takes place throughout October and is an opportunity to remember the past and look to the future, joining together to renew our commitment to racial equality. As it happens annually (in the UK) during October, it's a great opportunity to make a fuss about local history and learning in your Fun Palace. [Black History Month.](#)

NOVEMBER

HOPE WEEK - THE WILDLIFE TRUSTS

The Wildlife Trusts hold [Hope Week](#) annually in November and have lots of online events. You can also find your local Wild Life Trust and get involved all year round on the [Wildife Trusts website.](#)

... And here's a couple of other organisations doing great things year-round:

RE-ENGAGE

Re-Engage brings older people together in social groups at a time in their lives when their social circles are diminishing. Have a look at their website to [see if there is a group near you](#) – perhaps they can be part of your Fun Palace event this year.

WHAT NEXT?

What Next? (WN?) is a UK-wide movement bringing people together to articulate, champion and strengthen the role of culture in our society. There are local chapters across the UK, bringing together those working in or passionate about culture, to address issues of relevance to them. WN? Chapters are a great way to meet people that may be keen to get involved with your Fun Palace, to spread the word, and importantly, to place your Fun Palace in the context of political discussions about arts and culture in your area. You can find out more [here](#).
